Strategies Prioritized by Participating Agencies

Workshop participants were divided into four groups and asked to develop general strategies that could be pursued to meet the needs. The following tables summarize those efforts.

Outreach and Education

1. Agency Network
2. Sharing Info
3. Local Government
4. Continuing Surveys
5. Client Friendly Literature

Policy Changes

1. Eliminate territorial bias
2. Pooling of Funds
3. One Vision, One Call
4. Transparency of Agency Transportation Expenditures
5. Identify layer of barriers
6. Effective Leadership - Communication
This is not a complete list, nor should it be considered the only solutions available to meet the needs of the community. It does, however, provide some potential options for improving public transit-human services transportation.
